Dear All,

PFA the list of committee formed and points discussed today.

1. A dire need for us all to work together as a team and have a monthly meeting of each committee.
2. The minutes of the monthly meeting should be sent to Provost and CC to Registrar and Dean.
3. Every committee shall come up with some innovative ideas to bring out the best in our students; be it related to education, inculcating Soft skills, language development or even extracurricular activities.
4. Mentoring required of at least 2 to 3 students by every Faculty member.
5. All have reached a consensus of introducing Uniforms for every department students as it reflects image and recognition of organization.
6. Student coordinator to treat it as an urgent request to ensure doctor's visit for students.
